Junior Cycle

Please note our school will close on Monday 26th February 2018 to facilitate Junior Cycle cluster meetings.

Form III English CBA: The “Collection of student texts” CBA will take place mid-April 2018. The associated Assessment Task will take place 23rd – 27th April 2018. Form II CBA's (Science, Business, English) will take place in the Summer Term 2018.

Please note: “**Trevor West – The Bold Collegian**” book is on sale for €25 in the school office. Dr West was a former Governor of Midleton College: the new Sports Hall will be named in his honour.

Green Schools Water Ambassador; Onome Akhilomen (Form VI).

Micro beads are tiny plastics ranging from 0.0004 - 1.24 mm. These beads absorb toxins like pesticides from the oceans. They are mistaken by wildlife and sea life as food and it is because of this that they make their way up the food chain to becoming our meals. Micro beads are mainly found in skin care products e.g. facial scrubs and sometimes in toothpastes. This is a global issue that supranational organizations like the E.U are looking for ways to place a ban on the beads.

Downloading the app called “Beating the Microbead” can help you while you do the shopping. All you need to do is scan the product using the app to determine whether the beads are present or not in said product. Did you know that “a single shower can lead to 100,000 microbeads going into our water ways”. Please do your part to help the environment. Thank you for reading.

safeASSIST is a follow up course for those who have done the safeTalk program. A 2 day course will be held on weekend of 24/25 March 2018 from 9.00 – 4.00 pm both days in either Cobh or Carrigtwohill – venue to be confirmed. Anyone who has done the SafeTalk course can attend - please email Agnes.Cahill@hse.ie for course details.

On Wednesday 31st January 31st, our U19 Ladies soccer squad took part in the **Bank of Ireland U19 FINAL** at Home Farm, Dublin. Unfortunately the match finished 2-0 to Mulroy. Well done to the brilliant Midleton College team who played out of their skin. We're all so proud of them. Well done to Mr O'Neill, Jason and Andrea for all their efforts also.

Midleton College in association with Bank of Ireland launched their **school bank** today. All students will have the opportunity to save money in their own current account with an initial five euro minimum deposit. Well done to the diligent Form Four students who organised the facility.

Midleton College Parent Teacher Association
