# HOLI IS COMING

RESECHEDULED  
TO WED 16TH MAY

HoliFest is rescheduled until Wednesday 16<sup>th</sup> May. The Holi festival is famous for the throwing of coloured powder at friends to celebrate the end of winter and beginning of spring. In Midleton, we celebrate Holi a little later (safer with the Irish weather!) This is one of our big fundraisers in aid of the Hope Foundation. The event will take place after school on Wednesday 16<sup>th</sup> May (starts 2.30pm). Tickets €5 (includes Bar-B-Que & Colour Bag). Extra bags of colour can be purchased on the day. It's a fun event - one everyone enjoys! Tickets on sale now from the School Office, Ms Linehan & Mr Nugent – Cost €5 each.

Due to the high demand received for the May talk, which has now sold out, UCC have scheduled a second night with David Coleman on Wednesday 6<sup>th</sup> June. Please note this is not a PTA event but the following event may be of interest to Parents/Guardians:

**Clinical Psychologist David Coleman will present in UCC on Wednesday 6<sup>th</sup> June from 7 – 9pm** on the fundamentals of effective communication, translating psychological theories into common sense advice on how we can best respond to our children, and offering practical guidance for parents on how to raise resilient and emotionally intelligent children.

Key areas David will address include: Making parenting work when you work outside the home, How to raise resilient and emotionally intelligent children, Communicating through conflict/setting boundaries, The importance of listening to understand, Helping children understand and regulate emotions, Supporting a child/teen with anxiety.
