7th November 2016

Dear Parents/Guardians,

I am writing on behalf of the Board of Management of the school.

At a meeting of the Board today, Monday 7th November, the ongoing industrial action was considered and a contingency plan to reopen the school was examined.

The Board noted a number of outstanding issues have now been resolved. It is therefore in a position to implement a contingency plan to reopen the school.

The school will reopen on Wednesday, 9th November, and remain open in subsequent days.

Boarders may return from 7:00pm on Tuesday evening; school will begin with whole-school assembly at 8:40am on Wednesday morning.

The Board thanks all the staff of the school for their support in facilitating the contingency plan. They again expressed their hope that a resolution will be found to the industrial action swiftly.

The Form II parent-teacher meeting on Thursday, 10th November, will proceed, as will the planned Form VI English trip on Friday, 11th November. Extra-curricular activities will proceed as normal after school from Wednesday onward.

The Board additionally thanks the PTA and the parents/guardians for their support of the school in these challenging times.

Yours sincerely,

Dr Edward Gash
