Board of Management Agreed Report

Agreed report following the Board of Management meeting held on Monday 17th August 2020:

- The Board received a comprehensive report from Dr Gash on the extensive range of preparations in progress for a full return to school in September 2020.
- The Covid-19 Policy Statement required of every school was reviewed and ratified by the Board.
- The Return to Work procedures required of every school were reviewed.
- The Board endorsed the appointment of a Lead Worker Representative.
- The Board expressed its concern, disappointment and dissatisfaction at the exclusion of the fee-paying sector from all automatic financial support from the Department of Education. The school is expected to provide the same level of safety for the students and staff as all other schools and institutions, without any financial support.
- Aware of the challenges facing both staff and students in the upcoming academic year, the Board passed on its best wishes to all concerned for a healthy, happy and successful year.
- The next Board meeting is scheduled for Monday, 14 September 2020.
