

# Midleton College

## Mission Statement

Midleton College is a Church of Ireland, coeducational, Day & Boarding School with an ecumenical and inclusive ethos.

It strives to be a relatively small, familial, diverse, learning community. It endeavours to be a school where each student realises their potentials in an atmosphere of respect, care, support and encouragement.

Students will leave with the academic, personal and moral qualities required. It aims to foster an environment of continuous improvement and, building on its proud heritage, it looks to be modern, innovative and outward looking school.
